

帛琉愛來渡假會館一月新鮮事

**"Happy Chinese New Year"
Welcome to 2012**

Chinese New Year comes, all the guests celebrated the coming New Year with us. AWP gave golden chocolates and said "Gong Xi Fa Cai" to all the guests. They said we are considerate and all liked to take pictures with us.

**Little kid's whisper---
"Thank you, Mom"**

Mom, thank you for bringing me here, the children whispered to their mothers as they loved their Palau trip in AWP.

Check out snack set

From this Jan, the guests who stay at AWP for whole stay will have snack before they check out. They are very happy because they also have afternoon tea during their stay in AWP.

"WOW" Amazing water slides

In house and outside guests always enjoy the big water slides in AWP. One Japanese group said they choose AWP because of the water slides, they heard it's the only one and the biggest one in Palau.
