2011.01.01 Romantic Proposal

The first second of 2011 at AWP's pool side, the Hong Kong couple's romantic proposal took action!

In the morning, the prince already proposed to the princess under the sea. At night, with the blessings of tourists from all over the world, the prince presented the diamond ring and said "I love You forever!" loudly!

AWP's staffs prepared the heart-shaped candles as the witness of the new romance journey of 2011~

Activity-School Work Helper

"Miss~ are you married"? This is one of the questions that kids frequently ask during the school work helper activity. This is the popular hotel activity introducing the history and geography of Palau for kids. "I can't believe that there is such a meaningful activity for us!" one mother said. Most of the time, parents are more excited than children^O^

Home Sweet Home

"Speaking Taiwanese OK?"
 "Your hotel service is really amazing!"
 "Very homey atmosphere!"
 Taiwanese guests never stop chatting with our staffs until the last minute to depart!

Navy Vacation

Cheerful US Navy came again! Many of them booked AWP hotel online because of the good customer review and the most valuable price. They even urged their friends to transfer to AWP from other hotels. Bottom up! Enjoy the great Palau vacation!
